62%

दीर्घयुष्मान् दृढमतिरभयः श्रीमान्विद्यासुतधनसहितः ।  
सिद्धारम्भो जितरिपुरमलो विख्याताख्यः प्रभवति सरले ॥फा:६:६५॥

**"You live long with great and enduring strength, vitality, and enthusiasm. You are attractive and acquire wealth, children, and education. You see your endeavors through to their successful completion, and thus conquer your competitors righteously and without disgrace, which makes people speak highly of you often and loudly."**

These effects are present in your chart at **62%** of their absolute fullest potential. This means **they are very noticeable in your life**, even with minimal support from other similar factors in your chart.

हन्त्यन्यकार्यं पिशुनः स्वकार्यपरो दरिद्रश्च दुराग्रही स्यात् ।  
स्वयम्कृतानर्थपरंपरार्तः कुकर्मकृच्चासुरयोगजातः ॥फा:६:५२॥

**"Like a powerful demon, you crush and criticize the flawed accomplishments of others, to establish your own superior deeds. You easily become obsessed with your needs, and place them above the needs of others. You have very difficult ambitions, and find it hard to let go of things and move on. You are prone to misdeed in the pursuit of your ambitions and pleasures."**

These effects are present in your chart at **5%** of their absolute fullest potential. This means **they are conspicuous by their absence in your life**, and more likely the opposite comes true.
